

# Hyper Toss™

The electronic quick catch ball game! Put your skills to the test with this ultimate toy for fast, fun, interactive play that really gets you moving! Kids will love trying to beat their scores by catching the soft ball quickly in one of the three colored cups - all by following audio instructions! With four game modes to choose from Hyper Toss is the new addictive, fast-paced game for active kids. Hyper Toss can be played solo or with other players. Recommended for ages 6 and up but fun for all!

1. Hyper Toss- be the fastest to catch 15
2. Memory Toss - recall the sequence and be the memory master
3. Super Toss - progress through levels to be the best
4. Freestyle – get creative, freestyle play for skills and thrills
